Join the [AuthenTech](#) community

if you're building a values-driven,
people-centered tech company.
Investors, let me know if you
want to be added to the
monthly deal flow.

I invest in & advise

AuthenTech startups &
emerging fund managers.
You can check out my
thesis & portfolio [here](#).

My book, [Blaze Your Own Trail](#),

won a gold IPPY award and led to starting
OwnTrail. I also write for [Forbes](#) about equity &
belonging in the workplace, and interviews with Trailblazing women.

**[OwnTrail](#) is the platform for women
to visualize & navigate their life paths.**

Share your trail, connect with an inspiring
community of trailblazers, help each other
through obstacles and opportunities.

I've been doing aerial acrobatics

since 2008. It's a creative, physical
& social outlet for me. You can check
out some photos & videos [here!](#)

I'm really interested in Web3.

Reach out if you want to be
part of a project I'm working
on to get more diversity
into the NFT space.

I love making art.

You can check out some of
my projects [here](#), and see my
[Apolcalstitch](#) & [Crypto Stitch](#)
NFT collections on OpenSea.
